

OUR FIELD-AND-FORM DEVELOPMENT JOURNEYS TIE LEARNINGS TO THE REAL WORLD

Forums

Each forum is a ½-1 day workshop focused on a specific module. Forums are highly interactive with role plays, simulations, discussions, reflections etc.

Fieldwork

Fieldwork is aligned with the learning goals for each module and helps participants comprehend new concepts by applying them to their own work/business project

1:1 Coaching

1-on-1 setting to allow for personalised coaching and feedback discussions between Coach and participant. Coaching by professional coaches as well as peer coaching possible

Cohort reflection

Learn from one another and serve as a support and sounding board for one another

Shadowing

Coach observes participants while at work, providing feedback to participants on how they are applying new concepts to their work
